Childcare Provision – Staffing

The school will maintain the level of staffing in the provision in accordance with Early Years Foundation Stage Framework. A copy of which can be found following this link:

<https://www.gov.uk/government/publications/early-years-foundation-stage-framework--2>

This states that:

‘Where the provision is solely before/after school care or holiday provision for children who normally attend Reception class (or older) during the school day, there must be sufficient staff as for a class of 30 children. It is for providers to determine how many staff are needed to ensure the safety and welfare of children, bearing in mind the type(s) of activity and the age and needs of the children. It is also for providers to determine what qualifications, if any, the manager and/or staff should have. Providers do not need to meet the learning and development requirements in Section 1. However, practitioners should discuss with parents and/or carers (and other practitioners/providers as appropriate, including school staff/teachers) the support they intend to offer.’

The club has a maximum of 45 places available, booked on a ‘first come, first served’ basis. A minimum of 2 members of staff will be present on site during the opening hours of the breakfast and after school clubs.

A leadership team member will always be available, each day that the club is open and for its opening hours.

The school has a first aid policy. A qualified paediatric first aider will also be present on site at all times.

The school has an administration of medicines policy and this is followed by the Breakfast and After School club.

Where a member of staff is absent; the leadership team member will ensure replacement staff are found so adequate ratios of staff to children are maintained at all times.

Booking and Payments

Parents and guardians are able to book the provision via the school's online payment system, Wisepay. Payment must be made at the time of booking to secure a place for your child.

The breakfast club is charged at £4.00 per session.

After school club is paid for as follows per child:

- 3.30pm – 4.30pm £4.50
- 4.30pm – 5.00pm £2.50
- 5.00pm – 6.00pm £4.50
- 6.00pm – 6.30pm £2.50

Billing is as per the time intervals above, so for example, a session from 3.30pm – 5.00pm will cost: £7.00 (£4.50 for the 3.30pm – 4.30pm interval, and £2.50 for the 4.30pm – 5.00pm interval). When booking, each time interval will need to be selected and added to your basket. You will then be charged for all the sessions you have selected.

No discounts are offered to sibling bookings.

Bookings and payments must be made no later than 3 days before, to allow suitable time to arrange staffing. Any late bookings (later than 3 days prior) may incur an additional admin fee.

Booked sessions will need to be cancelled 7 days in advance, in order to receive a refund. Any sessions cancelled less than 7 days prior, will not be refunded.

Health and Safety

The school has a Health & Safety Policy, relevant Risk assessments and an Emergency evacuation procedure. The Breakfast and Afterschool club follows these policies and the reporting of accidents and issues are all managed in accordance with the main school policies and procedures.

Site Security and child safety (first aid, club cards, sign in / sign out)

The hall is accessible each day by the use of the key card from 7.30am each day. The Nursery will be locked up by the duty leadership team member / cleaning firm at 6.30pm.

The school has an electronically locked gate at its main entrance to ensure secure access to the overall site. In addition, a side gate which is locked with a coded padlock.

The field space surrounding the school is enclosed with fencing and hedging.

Each club user's parent(s) or guardian(s) are issued with an access key card which details those who are authorised to collect each child that attends. Photos of each authorised person is held on the school's records. All members of staff are able to access the photo records to ensure only authorised persons collect the children.

Each parent / guardian signs an agreement form (see appendix) which sets out the obligations they have in maintaining and securing their entry card. A copy of this form is held on the school records.

The cards have time specific details coded on them so that they are only usable during the club times i.e. outside these hours the cards will not work.

Unless agreed otherwise, each morning breakfast club users are taken to the breakfast club by their parent or guardian who signs them in.

Each day after school finishes, the children from Year Reception – Year 4 are collected from their classrooms and taken by a staff member to the club setting. It is expected that children from Year 5 & 6 will make their own way across the playgrounds to the setting. This same principle applies to children who attend the school's after school activities.

The sign in and sign out sheets are retained and passed to the school administration team so that they can reconcile sessions taken versus payments (see next section).

Emergency Number

As the breakfast and after school club operate outside of standard school hours a phone line for users of the club is manned by the staff within the provision. This enables parents to talk to the staff members if there are any issues i.e. they are running late.

The number is: **07972 331198**

Complaints Procedure

In the event of a complaint, the school's complaints policy would apply.

Joiners, leavers, changes and annual renewal

Joiners will be expected to complete an application form which confirms that a child(ren) would like to join. This will include a code of conduct agreement and ask for the authorised collectors photographs.

Once received, the administration team will review the request, instigate the creating of a membership card (which includes details of the authorised collectors) and they will confirm whether the sessions requested are available.

Once confirmed payment needs to be made via WisePay and the details are added to the OneNote registers for the relevant dates. Two membership cards will also be issued. In the event of the card being lost it is imperative that you inform the school so the card can be blocked. A charge of £5 will be made for a replacement.

The usage of the club will be reviewed on a regular basis. If you no longer wish to use the service, please inform the school so places can be offered to others and you will be asked to return the cards so that they can be destroyed.

In the event of a pupil leaving the school mid-year or at the end of the academic year their cards will be deactivated.

The breakfast/Afterschool club will follow the school's Behaviour; a copy of which can be found on our school website. Please familiarise yourself with this document. Bad behaviour and bullying will not be accepted, parents will be informed of any inappropriate incidents and if need be, a child will no longer be allowed to attend. Any needs/concerns that you may have should be brought to the staff's attention and you are welcome to discuss your concerns with a member of the Leadership Team.
