1.	<p><b>Parent's Evening Feedback</b></p> <p>The booking system worked well. The format of the parent's evenings worked well and discussed everything that was needed. The booking system is not very mobile friendly. Could there be a facility to ask questions when booking the time?</p>	<b>Mrs Pulfer</b>
2.	<p><b>Ethiopia Link</b></p> <p>We have had a partnership with a school in Ethiopia for the last 8 years and the children here and there have benefited from the cultural links. Broadclyst School are linked to a school in Bekumsa Biya. Westclyst School will be linked to a new school within the same area. Each year we try and send teachers over for a short period of time but need to raise funds to do this. We would be interested in any fund raising ideas parents have to support this.</p>	
3.	<p><b>Westclyst Building Update</b></p> <p>Work to start the building has been delayed until January 2018. Because of the year-long requirement for the build, opening will be January 2019. The options we now have are:</p> <ul style="list-style-type: none"> <li>• Phased opening;</li> <li>• House additional children at Broadclyst temporarily;</li> <li>• Split site</li> </ul> <p>Each option creates challenges. Currently there is a travel plan in place where the bus services remove up to 60 children off the roads, (this is more than is currently in Westclyst). If there is an extension to Westclyst at Broadclyst, we would need to review the travel plan.</p>	<b>Mr Bishop</b>
