RE: Nursery Breakfasts & Evening Snacks

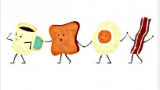

Dear Parent,

As you are aware, children attending the 8am – 9am and 3pm – 6pm nursery sessions can be provided with a breakfast or evening snack at an additional cost of £1.50 per session. We offer a range of breakfast items to the children, including cereal and toast with toppings. In the evening we offer toast and crumpets with toppings, in addition to a variety of fruits.

I am writing to inform you that we are introducing a new system for booking and paying for these optional extras after half term. **If you would like to book breakfast or an evening snack for your child from the week commencing 29th October, you will need to do so via WisePay.** The book and pay system will operate in a similar way to the Dining Club. You will need to select how many days per week you would like your child to be provided with breakfast or a snack and pay for the full half term in advance. We will no longer be able to offer breakfasts or snacks on an ad hoc basis.

Please could you log into your child's WisePay account and book and pay for a breakfast and/or evening snack package before Monday 29th October.
