RE: New Bus Driver

Dear Parent,

I am writing to let you know that we have appointed a new bus driver, Mr Tim Dienes (pronounced Deens) to cover some of our bus routes from the week commencing 21st January. As you would expect all necessary checks have been made, including an enhanced DBS check.

Tim Dienes

Tim will be covering some of the routes previously driven by Tracey Magowan who has recently left us. He will be shadowing some of the other drivers this week.

While writing, I would like to remind you that when collecting your child from the bus at the end of the day, our drivers have been told that they must release children directly to the person picking them up. Therefore, please make sure you are at the stop and not, for example, a distance away up the path or in your vehicle. In addition, a reminder that if your child is being picked up by another adult you need to let us know in advance please. We are looking at introducing a new process for this and I will be writing to you separately about this.

Finally, an appeal for parents not to park in the actual bus stops that our buses, and Stagecoach, use.

Thank you for your cooperation.

Yours sincerely,

Jonathan Bishop
Executive Headteacher
