RE: Outdoor Classroom Day Tomorrow

Dear Parent,

Tomorrow we will be taking part in 'Outdoor Classroom Day' which is a global campaign to celebrate and inspire outdoor learning and play. Outdoor learning improves children's health, engages them with learning and leads to a greater connection with nature. Play not only teaches critical life skills such as resilience, teamwork and creativity. This will be an opportunity for the children to work towards achieving the '50 things' and have their photograph taken as evidence of their achievement.

Below is an outline of the different activities that will be taking place throughout the day. The day will start with a whole school outdoor assembly.

Nursery	'Going On A Bear Hunt'
Reception	Learning Journey Art Work
Year 1	Digimaps and Forest School
Year 2	Anthony Gormley terracotta art work
Year 3	Traditional British sports
Year 4	GCP Photography
Year 5	Killerton Project at Killerton House. Games in the afternoon.
Year 6	Science in the outdoors. Games in the afternoon.

Please can children in Nursery, Reception, Year 1 and Year 2 bring old clothes to wear for their outdoor and art work.

I hope that you child will enjoy these activities.

Yours sincerely,

Jonathan Bishop
Executive Headteacher
