RE: Year 5 Killerton Performances - Thursday 13th and Friday 14th June

Dear Parent,

As you are aware, every year we do a historical re-enactment at Killerton House with a performance from the children in Year 5. Even if your child is not in Year 5, this is an open event for all year groups to attend. Next week's performance of 'The Forestry Conundrum' is a historical re-enactment based around the Forestry Commission, WW1 and Killerton House.

Year 4 pupils will be watching the performances at 10.00am on both days, with class 4SP on Thursday 13th June and 4DL on Friday 14th June. There will also be a performance after school at 4.00pm on Thursday and Friday.

When you arrive at Killerton to watch the performances, please mention that you are from Broadclyst Primary School in order to gain **free entry**. **Please note that you cannot park outside the house or Chapel** so remember to leave enough time to park in the main Killerton car park and walk up to the Chapel itself. Please find attached a ticket for you to display in your car, to allow you to park free of charge.

We hope that you will be able to come along and will enjoy the historical re-enactment that the children of Year 5 have put together.

Yours sincerely,

Jonathan Bishop
Executive Headteacher
