RE: Village Walk

Dear Parent,

I'm writing to inform you that on **Tuesday 14th May**, Year 4 will take part in a walk around the village, photographing important aspects of the community. This is part of their Global Community Project, in which a number of schools around the globe are using visual media to represent the character and uniqueness of their community.

The trip will be weather dependent; please ensure your child has a waterproof coat. Both classes will undertake their walk during the morning. Lunch will be at school, as normal.

The walk is covered by the general consent form. However, if you have any questions please contact your child's teacher:

Dale Lawson dale.lawson@tcat.education

Sammi Pearson samantha.pearson@tcat.education

Yours sincerely,

Jonathan Bishop
Executive Headteacher
