19th June 2017

RE: Years 1, 2 & KS2 Cinema Club: James and the Giant Peach

Dear Parent,

We will be screening **James and the Giant Peach** on **Monday 26th June from 3:45pm to 6:00pm** for Year 1, 2 and Key Stage 2. This will include one 15 minute interval for the children to stretch their legs and grab some refreshments. We will be serving sweet popcorn, a selection of drinks and tubs of ice-cream.

We are continuing our extension of the cinema club to the younger children as this has proved popular. It can be harder though for younger children to stay focussed during a longer film, so if you feel that although your child might be keen to attend, that actually they would struggle with the length of the film, then we would request that you please do not send them to the club.

We also appreciate this club has a longer running time than most other after school activities that we offer. However, as in previous clubs, we feel the children should be able to enjoy a film in its entirety, without interruptions, to create the enjoyable experience that many associate with the cinema. In this regard, please respect the 6:00pm finish.

If your child would like to attend this club on 26th June then please ensure you book a ticket in your **child's name** by clicking [here](#). To cover the cost of the food and drink, we ask for a £2 contribution when booking your ticket via [WisePay](#) or handed in on the night.

We hope that Cinema Club continues to offer your child the opportunity to watch popular and classic films in a location catered towards offering a truly cinematic experience.

Yours sincerely,

Jonathan Bishop
