RE: David Lawrence Jones Visit

Dear Parent,

We are very fortunate to have a visitor coming to our school on Wednesday 23rd May to present to our students. David Lawrence Jones is a well-respected author of children's books and producer of children's animation. David is renowned for his popular "Bradley Baker", "Jig & Saw" and "Devon Farm Adventures" book series and the "Super Geek Heroes" TV series.

During his visit, David will talk about his working life as an author and producer, what inspired him to read more and write, showcasing some of his stories to the children and generally enthusing to them about being creative in their own lives.

All the author's books will be available to purchase in school and we have set some time set aside for David to personally sign copies during a second visit on Friday 25th May. An order form will be sent home after the showcase presentation, which will enable you to discuss David's books and the event with your child. If you would like your child to purchase a book(s), please ensure the order form and payment is returned to school on or before the day of the official book signing session.

Your child is also encouraged to think of at least one question to ask David about his work or life and research some facts about him. Should you wish to find out more about the author and his books you can check out the following website: www.davidlawrencejones.co.uk

We are all very excited about the visit of David Lawrence Jones to our school. We sincerely hope your child enjoys the whole experience of meeting him and hopefully having their very own book signed to celebrate the occasion.

If you have any further questions, please email Bronnie Williams (bronniewilliams@bcps.org.uk).

Yours sincerely,

Jonathan Bishop
