

8<sup>th</sup> May 2019

**RE: Year 6 SATS Week and Enrichment**

Dear Parent,

As you are aware the Year 6 SATS are taking place next week.

Your child needs to be in school on time every day. We are inviting Year 6 children to arrive at school any time from 8.30am to have breakfast together. If they want to take part in breakfast please ensure your child arrives by **8.45am** at the latest so that they have time to relax with their friends before the tests begin.

We will provide breakfast free of charge including toast with toppings, and cereal. If your child has any dietary requirements that the school is not already aware of, please let us know this week.

The children are allowed to bring in a small amount of sweets to eat during their tests and we ask that wrappers are removed to eliminate any noise! Please can they be stored in a clear container labelled with your child's name.

This weekend we hope the children will relax and have fun. They have worked very hard over the last few months and the effort that they have put in will be reflected in the results that they get. Last minute panic revision will not help. Please reassure your child that all we expect is for them to do the best they can.

The enrichment session after school on Monday 13<sup>th</sup> May will be cancelled, however, these sessions will resume the following week.

Yours sincerely,

**Jonathan Bishop**  
Executive Headteacher
