RE: Exmoor Zoo Visit – Reception Classes

Dear Parent,

I am writing to inform you that on Thursday 22nd November there will be a member of staff from Exmoor Zoo visiting the school.

Throughout the day there will be sessions for the children in the Nursery and Reception classes. The children will have the opportunity to see a range of nocturnal animals. These will include armadillos and owls and the children will be looking closely at the similarities and differences.

If you would like any information or have any questions please contact Laura Fox lfox@bcps.org.uk or Joanne Illidge jillidge@bcps.org.uk either in person or via email. In addition, please let them know if your child has any allergies to animals or nervousness around such animals in order that we may support them appropriately.

We hope that this is an experience that your child will find both fun and beneficial.

Yours sincerely,

Jonathan Bishop
Executive Headteacher
