RE: 2BuildaProfile Portfolios – Nursery & Reception Classes

Dear Parent,

I am writing to inform you that you will shortly be receiving your child's portfolio of their work and achievements which has been collected through our early years tracking software, 2BuildaProfile.

The portfolio will include a range of photographs and comments which will be linked to the Early Years Foundation Stage curriculum objectives and will allow you to view, comment and respond to their recent activities within the classroom via an interactive 'respond' option. We feel that this provides a great opportunity for you to find out about your child's learning and the progress they make during their time both in Nursery and Reception.

You will need to activate your child's 2BuildaProfile account by replying to your activation email, if you haven't done so already. If you have not received an activation email, please check the junk folder first and, if you don't find the activation email, please contact admin@bcps.org.uk or admin@wcps.education and we will re-send it to you.

If you have any questions, please speak to Tonia Dudley tdudley@wcps.education, Laura Fox lfox@bcps.org.uk, Joanne Illidge jillidge@bcps.org.uk, Rachel Smith rsmith@bcps.org.uk, Katie Sandercock ksandercock@bcps.org.uk or Claire Honeywill choneywill@bcps.org.uk

Yours sincerely,

Jonathan Bishop
Executive Headteacher
