RE: Fire Safety Sessions – Reception

Dear Parent,

For your information, the Devon & Somerset Fire & Rescue Service will be visiting the school on **Friday 25th January**. They will be undertaking an interactive educational session with the children in the Reception classes.

During the one hour session pupils will learn about:

- the job role of a fire safety officer (fireman);
- what they have to do when their call-out bell goes off;
- why they have to wear special clothing;
- what number to call if a child spots a fire at home.

If you have any questions or would like any further information please contact Alex Pulfer apulfer@bcps.org.uk by email or in person.

Yours sincerely,

Jonathan Bishop
Executive Headteacher
