RE: Year 2 – Great Fire of London - Burning Tudor Houses

Dear Parent,

I am writing to let you know that on **Thursday 1st November** Year 2 will be visited by a fire-safety consultant to create a simulation of the events during the Great Fire of London. This will involve burning the model Tudor houses the children have designed, simulating the conditions that led to the fire spreading through the city. As well as this being a fun an interactive session we hope it will promote safe practice at home, in the school and within the community.

The demonstration will take place on the field and the children will remain on the playground supervised by school staff. All of the necessary risk assessments have be completed by the Fire Service and the school.

If you have any questions or would like any further information please contact Victoria Kennard Victoria.Kennard@tcat.education by email or in person.

Yours sincerely,

Jonathan Bishop
Executive Headteacher
