RE: NHS Flu Immunisation Clinics – Years R, 1, 2, 3 and 4

Dear Parent,

You will have previously received a letter notifying you of NHS Flu Immunisation Clinics to be run within schools. If you completed and returned the consent form, providing consent for your child to be immunised, your child will receive their vaccination on **Wednesday 29th November**. Your child will need their 'Red Book' with them on this day.

A member of our staff will be present to confirm the identity of children. Once children have received their vaccination they will be monitored closely for the subsequent 5 minutes to ensure there are no adverse reactions.

The closing date for consent forms was 22nd September and, unfortunately, Boots are unable to accept late return of forms. If you did not return your consent form in time but still wish your child to receive a vaccination, this is possible, but you will need to arrange an appointment with a childhood vaccine-approved Boots store. The nearest store to school is Boots at the Exebridge Centre.

Yours sincerely,

Jonathan Bishop
