10th November 2017

RE: Multi-Skills at Clyst Vale Community College – Year 2

Dear Parent,

I am writing to let you know that your child has been selected to attend a Sports Multi-Skills workshop at Clyst Vale Community College. This event is organised by the Clyst Vale Learning Community and involves the children partaking in a variety of sports activities, to develop their core skills.

Your child will need their PE kit and trainers.

The event will take place on Wednesday 15th November from 1.15pm to 2.30pm. The children will have their lunch at school as usual, and will be taken to and from the venue by the school mini buses.

If you have any questions, or would like any more information about this event please contact Mark Harrison mharrison@bcps.org.uk

Yours sincerely,

Jonathan Bishop
Headteacher
