RE: Year 3 Residential to Rock & Rapid

Dear Parent,

Following on from the letter sent in January, below are the details of the residential arranged for Year 3 at Rock and Rapid.

Your child has been selected to attend the residential on **Thursday 22nd – Friday 23rd March 2018**. The year group has been mixed to reflect the way the children work at school and we have tried to ensure a good spread of friendship groups so that they are going with some or all of their friends.

As a reminder, the days will include activities organised and run by the Rock and Rapid team. The trip is aimed at providing the experience of a night away, combined with indoor and outdoor team-building and adventure activities. Please ensure your child takes with them waterproofs and plenty of warm clothing. A proposed kit list is attached.

Also attached is a contact form which you need to complete and return to your class teacher before the trip if you haven't done so already. This will ensure we have your up to date emergency details.

If your child is on any medication at the time they go on this residential, please complete the attached 'Administration of Medicines' form, to give us your consent to administer any required medication. We also need to know any medicines you have given your child over the previous 24 hours, and this is also attached. On the day of departure, please bring the medication and both forms in a bag labelled with your child's name and give it to one of the members of staff going on the residential.

The children should arrive at school at normal time on the Thursday and will be transported to the venue by the school minibuses. The children will require a **packed lunch on the first day** but will have a BBQ dinner, cooked breakfast the following morning and lunch before returning to school at normal pick up time on the Friday.

Please contact Beth Schoter bschoter@bcps.org.uk or Mark Harrison mharrison@bcps.org.uk if you have any queries about the trip.

Yours sincerely,

Jonathan Bishop
