RE: Swimming

Dear Parent,

I am pleased to let you know that swimming lessons and squad will recommence on Wednesday 19th April.

Following on from our concerns around the changing facilities we have worked with Middlemoor, and reviewed our policies and risk assessments, and we are now satisfied with the child protection systems in place.

Middlemoor have now installed a curtain to create a separate changing area in the ladies' changing room so that they are segregated from any adults in the room. The boys will have a changing room to themselves. In the coming year they aim to build a separate changing room for the children to have sole use of away from any other adults.

Children are not accompanied by a teacher within the changing rooms however the teacher will be waiting outside in case of assistance needed and to monitor the changing progress to ensure we get them back to school in a timely manner.

If you have any questions or concerns please contact the school.

Yours sincerely,

Jonathan Bishop
