RE: Global Canvas Award Ceremony

Dear Parent,

As you will be aware, the Year 6 art Squad entered a competition called the 'Global Canvas' run by the David Shepherd Wildlife Foundation. As finalists of the competition they have been invited to set up their art display to be judged at the award ceremony at the Natural History Museum on **Thursday 7th March**. Whilst there, the children will have the opportunity to view the other entries and to attend the prize giving ceremony with special guest speaker, artist Mandy Shepherd.

While the plan is yet to be confirmed the intention is that the children will leave school at 2pm on **Wednesday 6th March** and stay overnight at a Youth Hostel, before attending the ceremony the following day. We aim to leave London at 4pm and anticipate arriving back at school on Thursday 7th at approximately 9.00pm.

There is no charge for the trip however, if parents are willing and able to make a voluntary contribution towards the cost of the trip, via WisePay, it would be greatly appreciated. The approximate cost of the trip is £50 per child but please feel free to donate what you are able to.

The staff accompanying the trip will be Chloe Farrant, Fran Knight, Richard Bawden and Alex Pulfer.

Please could you reply to the text we will send you tomorrow to let us know whether your child will be able to attend so that we can confirm bookings.

I am sure that you are very proud of your child's achievement and will see this as a unique opportunity. We will contact you again when we have further details.

Yours sincerely,

Jonathan Bishop
Executive Headteacher
